

Silvermeadow General Hospital — Patient Handbook & Operational Guide

Silvermeadow General Hospital is a 342-bed regional teaching hospital located at 1487 Cedar Ridge Boulevard, Milbourn, OR 97402. The hospital was founded in 1963 by Dr. Ellinor Vasquez and has been continuously accredited by the Joint Commission since 1971. Silvermeadow serves approximately 118,000 emergency-department visits and 21,400 inpatient admissions each year across a 47-mile catchment.

This document is the definitive reference for patients, visitors, and referring clinicians. It supersedes all prior printed handbooks dated before January 2026.

1. Contact & Access

Purpose	Number / Address
Main switchboard	+1 (503) 555-0184
Emergency department (24/7)	+1 (503) 555-0100 (or dial 911)
Appointments — outpatient clinics	+1 (503) 555-0142
Billing & financial counseling	+1 (503) 555-0176 (Mon–Fri, 08:00–17:00 PT)
Medical records requests	records@silvermeadowgh.org
Patient advocate hotline	+1 (503) 555-0119 (24/7)
Media & press inquiries	press@silvermeadowgh.org

The hospital campus has three public entrances. The Main Lobby (Cedar Ridge Blvd) is open 05:30–22:00 daily. The Emergency Department entrance on Juniper Lane is open continuously. The Oncology & Infusion entrance on Building C is open Monday through Saturday, 06:30–19:30, and is closed on Sundays.

2. Emergency Services

The Silvermeadow Emergency Department is a Level II trauma center verified by the American College of Surgeons since 2004. Average door-to-provider time in Q4 2025 was 11 minutes. Patients presenting with chest pain suggestive of ST-elevation myocardial infarction are brought to the cardiac catheterization lab within a mean of 47 minutes (door-to-balloon).

The ED uses a five-level Emergency Severity Index (ESI). Level 1 (immediate life threat) is seen without delay. Level 5 (minor complaint, no resources) may be redirected to the on-site Express Care clinic when open.

Express Care is a walk-in clinic located adjacent to the ED, open 09:00–21:00 seven days a week. It treats non-emergent conditions (sprains, minor lacerations, uncomplicated UTIs, flu-like illness) at a fixed self-pay rate of \$189 per visit.

3. Visiting Hours & Rules

- General medical/surgical floors: 09:00–20:30 daily. Two visitors per patient at a time.

- Intensive Care Unit (ICU): 10:00–13:00 and 16:00–19:00. One visitor at a time, must be 14 years or older.
- Neonatal ICU: Parents 24/7. Grandparents may visit 11:00–18:00 with a parent present.
- Behavioral Health Unit: 15:00–17:00 weekdays; 12:00–17:00 weekends. Visitors must be pre-registered.
- Oncology infusion suites: One support person permitted; no children under 12 due to infection risk.

All visitors must check in at the security desk, present a government-issued ID, and wear the printed wristband at all times while inside the building. During active respiratory-virus advisories, the hospital may restrict visits to one designated support person per patient for the duration of the advisory.

4. Clinical Departments

Silvermeadow operates 27 clinical departments. The following list reflects the department directory as of January 15, 2026.

Department	Location (Bldg / Floor)	Direct line
Cardiology	A / 4	+1 (503) 555-0210
Cardiothoracic Surgery	A / 5	+1 (503) 555-0215
Dermatology	C / 2	+1 (503) 555-0221
Endocrinology & Diabetes Center	B / 3	+1 (503) 555-0230
Gastroenterology	A / 3	+1 (503) 555-0240
General Surgery	A / 2	+1 (503) 555-0248
Neurology	B / 4	+1 (503) 555-0255
Obstetrics & Gynecology	D / 2	+1 (503) 555-0260
Oncology (Medical)	C / 3	+1 (503) 555-0270
Orthopedic Surgery	A / 6	+1 (503) 555-0281
Pediatrics (inpatient)	D / 4	+1 (503) 555-0290
Radiology & Imaging	B / 1	+1 (503) 555-0301
Rehabilitation Medicine	E / 1	+1 (503) 555-0311
Urology	A / 3	+1 (503) 555-0325

Note: The Cardiothoracic Surgery service does not accept self-referrals. All new patient consultations must be routed through a Cardiology attending or a primary care physician. Silvermeadow does **not** offer transplant services; patients requiring solid-organ transplant are referred to Portland Medical Center under our long-standing partnership agreement (renewed May 2024).

5. Admissions & Registration

Scheduled admissions are processed at the Admissions Desk in the Main Lobby between 06:00 and 18:00. Patients should arrive at least 90 minutes before their scheduled procedure. Bring photo ID, insurance cards, a current medication list, and any advance directive documents.

Same-day surgery patients must have a designated adult driver present at discharge. Ride-share services are permitted only if the patient was not administered general anesthesia and is discharged by an RN who documents the exception in the chart.

6. Insurance & Billing

Silvermeadow is in-network with the following major carriers as of January 2026: Blue Cross Blue Shield of Oregon, Aetna, Cigna, United Healthcare (commercial and Medicare Advantage), Kaiser Permanente (emergency only), Regence, and TRICARE. Silvermeadow is **not** currently in-network with Ambetter or Oscar Health.

Medicaid patients on the Oregon Health Plan (OHP) are accepted for all inpatient and emergency services. Certain outpatient specialty services (specifically bariatric surgery evaluations and elective

orthopedic joint replacement) require pre-authorization through the OHP coordinated-care organization.

Uninsured patients may qualify for the Silvermeadow Financial Assistance Program. Households at or below 200% of the federal poverty level receive a 100% discount on medically necessary care. Households between 201% and 400% receive a sliding-scale discount ranging from 75% to 25%. Applications must be submitted within 240 days of the first billing statement.

7. Pharmacy Services

The Silvermeadow Outpatient Pharmacy is located on the ground floor of Building B and is open Monday through Friday 08:00–19:00, Saturday 09:00–14:00. The pharmacy is closed on Sundays and on federal holidays. A 24-hour medication vending kiosk in the ED lobby dispenses a limited formulary of post-discharge starter packs (most commonly prescribed antibiotics, analgesics, and inhalers).

Controlled substances (Schedule II) cannot be dispensed by the vending kiosk under any circumstance. Patients requiring such medications after pharmacy hours must arrange fulfillment through a 24-hour community pharmacy; the ED provider will send an electronic prescription accordingly.

8. Advance Directives & Patient Rights

Every patient at Silvermeadow has the right to accept or refuse any treatment. Advance directives (living will, POLST, durable power of attorney for healthcare) are honored provided they are executed in accordance with Oregon Revised Statutes Chapter 127. Copies should be uploaded through the patient portal or brought to the admissions desk at check-in.

Patients have the right to a language interpreter at no cost. Silvermeadow contracts with a video-remote interpretation service covering more than 200 languages including American Sign Language, available on-demand from any inpatient room within 90 seconds.

9. Infection Control & Isolation Precautions

- Standard precautions apply to every patient encounter (hand hygiene, appropriate PPE).
- Contact precautions are used for patients with MRSA, VRE, C. difficile, and multi-drug resistant organisms.
- Droplet precautions are used for influenza, pertussis, and meningococcal disease.
- Airborne isolation is required for tuberculosis, measles, and varicella; the hospital has 14 negative-pressure rooms (four in the ED, six in the ICU, four on the medical floor).
- Neutropenic precautions apply to patients with an absolute neutrophil count below 500/ μ L.

10. Cafeteria & Dining

The Silvermeadow Bistro on the ground floor of Building A is open 06:30–20:00 daily. Room-service dining is available to inpatients on general floors from 06:45 to 19:15; orders placed after 18:45 are limited to the late menu. Patients on cardiac, renal, diabetic, or clear-liquid dietary orders receive automatically filtered menus. Guest trays for family members are \$8.75 and can be ordered by the patient's nurse.

11. Parking & Transportation

The main parking garage is located on the corner of Cedar Ridge and Juniper. The first 30 minutes are free. Rates thereafter are \$3 per hour, capped at \$16 per day. Weekly passes (\$55) and monthly passes (\$185) are available at the security desk. Valet parking is offered at the Main Lobby entrance Monday through Friday, 07:30–18:00, at a flat rate of \$12.

The city bus (routes 14 and 22) stops at the Cedar Ridge & 15th Ave. shelter directly in front of the Main Lobby. Wheelchair-accessible ride-share pickup is designated in Zone C of the parking garage.

12. Frequently Asked Questions

Q. Does Silvermeadow deliver babies? Yes. The Family Birth Center on Building D, floor 2 has 18 labor-delivery-recovery rooms and a Level III NICU. Water births are supported in four designated rooms; a signed consent and a low-risk pregnancy determination by the delivering provider are required.

Q. Are pets allowed? Only certified service animals as defined by the Americans with Disabilities Act. Emotional-support animals are not permitted in patient care areas. The volunteer Pet Therapy program brings vetted therapy dogs to the general floors on Tuesdays and Thursdays between 14:00 and 16:00.

Q. Can I smoke on hospital grounds? No. The entire Silvermeadow campus, including parking garages and outdoor walkways, has been tobacco-free since March 1, 2018. This restriction extends to vaping and cannabis products regardless of state legalization status.

Q. How do I request my medical records? Email records@silvermeadowgh.org from the address on file, or submit an authorization form in person at the Health Information Management office (Building A, floor 1, room 118). Standard requests are fulfilled within 15 business days; expedited requests (for active clinical care) within 3 business days at no charge.

13. Key Personnel

Role	Name	Since
Chief Executive Officer	Dr. Priya Ranganathan, MD, MBA	2021
Chief Medical Officer	Dr. Marcus Halloway, MD	2019
Chief Nursing Officer	Elena Boychuk, RN, DNP	2023
Chief Financial Officer	Terrence Okafor, CPA	2020
ED Medical Director	Dr. Jia-Lin Xu, MD, FACEP	2022
Chair, Ethics Committee	Rev. Nomvula Sithole, DMin	2024
Director of Patient Safety	Marisol Delacroix, MHA, CPPS	2022

14. Quality & Outcome Metrics (2025 Annual)

- 30-day all-cause readmission rate: 12.4% (national benchmark 15.3%).
- Central-line-associated bloodstream infections (CLABSI) per 1,000 line-days: 0.71.
- Hospital-acquired pressure injury rate (stage 2+): 0.9 per 1,000 patient-days.
- Patient satisfaction (HCAHPS top-box overall rating): 78%.
- Time-to-antibiotic for severe sepsis (median): 42 minutes.

Silvermeadow General Hospital does **not** publicly report surgeon-level outcome data at this time; patients seeking such figures may request them through the Patient Advocate office.

15. Document Control

Version 8.2. Approved by the Silvermeadow Board of Directors on January 15, 2026. Next scheduled review: July 15, 2026. Questions or corrections should be routed to the Compliance Office (compliance@silvermeadowgh.org).
